Re: U.S. v. Arturo Rojas-Jaimes 05-CR-708

Dear Judge Hellerstein:

As Your Honor is already aware, the defendant referenced above is scheduled for sentencing tomorrow, February 26, at 3:00 P.M. I was advised this morning that Mr. Rojas was brought to the hospital in the early morning hours because he was having chest pains in the middle of the night.

This letter is simply to advise the Court as to what has happened. I do not want to adjourn the sentence until it becomes absolutely necessary. I believe that defendant may be discharged today depending on what the doctor's at the hospital say. If I learn that Mr. Rojas will have to stay in the hospital I will certainly alert the Court and Mr. Sahni immediately.

Very truly yours,

Johanna S. Zapp
